

NOTICE TO LITTLE FALLS CITY RESIDENTS

LEAF AND BRUSH PICKUP

The City will be having a leaf pickup on **October 23, 2021**, RAIN, SHINE OR SNOW. Please have your leaves in **UNTIED** bags on the boulevard of your street or avenue, **NOT** the alley, by 6:00 a.m. The hauler will be leaving the bags at the curb, so please leave a rock to set on the bags so the wind will not take them. Pine needles are not included in this pickup. Bags with pine needles will be left at the residence.

The City will also be having a brush pickup. Brush should be tied in a manageable size. The brush should be no larger than 1-inch in diameter or 4-feet in length. Brush not prepared properly will be left at the residence.

For your convenience, the Morrison County Highway Department on West River Road is also open for composting.

A reminder to residents...It is illegal to burn leaves or grass in the City.

If you have any question on the leaf pickup, please call City Hall 616-5500.

(This program is funded by a grant from Morrison County.)
