Land Disturbance Permit Application

Pursuant to the requirements of the Erosion and Sediment Control Ordinance of the City of Little Falls, the undersigned hereby applies for the land disturbing activity as indicated hereon and represented by the approved plans. The primary goal of this ordinance is to protect public health, safety, property, and the environment by establishing regulations for erosion and sediment control related to land disturbing activities and to comply with Federal, State, and Local requirements. This permit may be revoked if inspection reveals noncompliance with the plan.

Acknowledgement and Signature:

I hereby acknowledge that if this building is going to be hooked up to City water, I will contact City Hall prior to calling for a framing inspection so that a member of the City's Water Distribution staff can install the wiring for the water meter before the building is sheet rocked. I further certify that I am the legal owner or authorized agent for the owner of the property for which this permit is requested. I agree to comply with applicable Federal, State and City laws and regulations. Right-of-entry onto this property to the City of Little Falls, its employees or agents, for the purpose of ordinance enforcement is granted.

Applicant Signature
